Statement:

"CONTRACT WITH ALASKA:" Bob Lynn will

1. Work to get more oil in our pipeline, get a gas pipeline built, and protect our Constitutional right for maximum benefit from Alaska's natural resources.
2. Promote a sustainable budget, less spending, more savings, and PFD protection. Signed Alaska Taxpayer Pledge not to raise taxes.
3. Support parental Rights and traditional Family Values.
4. Support appropriate funding for K-12 schools and university. Our kids are more important than anything else.
5. Protect Second Amendment Rights, and increased public safety. We need to be safe in our homes, and everywhere else.
6. Work to strengthen administrative and legislative backbone to keep the federal government from pushing around our sovereign State of Alaska.
7. Keep campaign promises, resist pressure to put special interests ahead of people, base my votes on a bill's merits and nothing else. Bob Lynn puts ethics ahead of politics.

8. Maintain our Constitutional Right as Alaskans to equal access for fishing and hunting, wherever we live.
9. Use my experience, maturity, seniority, plus common sense conservatism to keep Alaska the world's best place to live, work, and play. Proven performance beats untested promises.
10. Make your concerns my concerns every time I cast a vote.

That's TEN GOOD REASONS to vote for Bob Lynn! I've worked very hard to do a good job for you in our legislature. Quite frankly, I think I've done a good job. I respectfully request the Honor of your vote.

Sincerely,
BOB LYNN
